

*“Honestly, I wouldn’t
change a thing.
Everything was handled
with compassion,
understanding and
professionalism.”*

Safety. Comfort. Independence.

Safe Homes seeks to make home modifications that meet the needs of those that are 55 or older, or any age with a physical disability.

Safe Homes can enable eligible people to remain in their homes through safety modifications. These changes reduce the risk of falling, increase accessibility and improve daily functional abilities.

Housing Modifications

About Us

Finger Lakes Community Action is a non-for-profit organization that has dedicated more than 60 years to “helping people and changing lives” in the Finger Lakes region. We provide various services to lower income households in need. We are excited for Safe Homes to be one of the many programs created to serve you.

Client Testimony

“I have never had anyone do something for me that changed my life as much as this ramp does. I feel like I’m not trapped in my house now and I have a new sense of freedom. Thank you all so much.”

Process

1. Call or Email to see if you are eligible for Safe Homes.
2. If eligible, we will conduct an over-the phone intake conversion.
3. A licensed Occupational Therapist will call to schedule an in-home assessment.
4. The Occupational Therapist will meet with you to discuss safety recommendations for your home.
5. Our Program Coordinator will create your job scope and set up contractors to complete your work.

Eligibility

To qualify for Safe Homes, you must meet the following criteria:

1. Be at least 55, or of any age with a diagnosed disability that affects mobility or safety.
2. Be income eligible
3. Live in Wayne, Ontario or Livingston County
