## GOODBYE FOR NOW

With the school year winding down, we will be saying "See you later" to some of our Head Start staff. We look forward to welcoming you all back in August – with good things planned, awaiting your return!!

To everyone, leaving for the summer: we know that Covid has flipped everything and shaken everyone up like we're inside a snow globe; and the flakes are little balls of crazy...we are hoping and praying that this summer the last of covid dies down and we can go back to some kind of "normal". We appreciate you sticking with us and helping us fight on and move forward. To a better year ahead!!

## JANELLE'S JOTS AND THOUGHTS

It's that time of year...COOLER TIME!

Just to remind you that The Cooler at Sodus Point is open again this summer. If you are looking for a great place to grab a bite and enjoy the scenery, head down to Sodus Point and support Wayne CAP at the same time! Plans are to be open Wednesday – Sunday, weather permitting.

Speaking of summer, here's to hot weather, cool drinks, and kind thoughts. If you are a seasonal employee enjoying the summer off, I hope you relax and recharge ready for a bigger, better year in September. If you are working through the summer, I hope you soak up those rays when you can and have some fun!

The door is always open at 51 Broad and the coffee is usually on thanks to Steve, so stop in and say hello.

Until next month, stay healthy and safe.

Janelle

## SUMMER

As we move closer to have ALL programs (that's right, Head Start ☺) working a(n optional) 4-day work week, we hope this will help you will be able to enjoy your summer like never before.

## EMPLOYEE APPRECIATION DAY

We. Are. SO. EXCITED to see everyone on Friday. Like, we can't even contain our feelings any longer. You should have gotten an email from Rosanna about arrival time, address, ect. Please let her know if you have any questions.

The part we are \*especially\* excited about is our Employee of the year nominations. This is no surprise because we have the best employees ever. All the submissions will be read on Friday, so both the nominees and nominator will be honored. They both play a significant part in WayneCAP's story, and we appreciate BOTH.

### **SPOTLIGHT EMPLOYEE:**

#### **ROBERT WEAVER**

Program Director – (Congratulations on your promotion!!)  
AmeriCorps Program

ABOUT ROB:

"I have had an interest in people and what they do from a young age. After a stint receiving an Anthropology degree from SUNY Albany, I decided to live in Japan. One year abroad turned into 10 years quickly... I came back to my hometown of Sodus with my family, and after a few attempts finding the right "job", I ended up settling down with Wayne CAP. I am happy to be here surrounded by interesting people every day!

When I am not joking around in the office, I am usually outside making music or inside cooking, drawing, or watching Jeopardy with my family."
